2007 Released Exam: Multiple-Choice Questions - AP Central

2007 AP (R) Statistics Released Exam. Approximately every four years, on a staggered schedule, the AP® Program releases a complete copy of each exam. In addition to providing the multiple-choice questions and answers, the publication describes the process of scoring the free-response questions and includes examples of students' actual responses, the

scoring standards, and commentary that explains why the responses received the scores they did.

2007 AP(R) Statistics Released Exam

This set of 10 booklets supplements the AP 2007 - Statistics Released Exam. Each booklet contains both the multiple-choice and free-response questions from the 2007 exam and comes with a blank answer sheet. Teachers often use these materials in their classroom to simulate an AP® exam administration. This product does not include an answer key.
