Okay, I do work on Apex at my school. It is common knowledge among all the student that Google=God. Google knows all, and basically if you can't come up with the exact question on google which will lead you to ask.com or googleanswers, you can either try to put pieces together from the cites you do get or actually go through the lesson plan and learn it.

~~how can i cheat on apex learning? | Yahoo Answers~~

Chemistry in the Earth System integrates chemistry with biology and Earth science. Throughout the course, students apply fundamental chemistry concepts to better understand how matter and energy interact in the natural and designed world, how human activities impact Earth's systems, and how science can be used to develop new technologies and engineering solutions.

~~Chemistry in the Earth System | Apex Learning~~

Our online Science 7 Tutorial is a supplement to the learning your student has done in middle school by helping them master the skills and concepts they need to be successful in subsequent science courses. The topical design of our online curriculum allows your student to focus on what they need to learn, not what they already know.
