At first I thought this book was a record of this particular endeavour, and it wasn't until I looked at the publication details, and read the intro, that I realised "Born to Punt" was an account of his betting escapades in 2010, and not his more recent plan of action. Back then he writes his aim was to grow his bankroll to £30K+, whereupon having reached a "facespitter" level he could throw in the day job as a sports columnist with the Racing Post and punt for a living, £30K being what he ...

Money Line: a bet made on the team winning the game, regardless of the spread. Example: The Bears were getting 2.5 points against the Lions, if you bet them to win the game straight up, you would get the money line odds which were +115. This means you would get \$1.15 for every \$1.00 you bet on the Bears. The primary ways to bet are as follows.

This Tuesday will see several pressing issues put to voters in Maryland. Not only will they have to vote for the next US president, but they will also get to decide whether Maryland becomes the latest state to legalize sports betting. Question 2 on the ballot paper would give the state the right to pass legislation to permit betting on sports.
