Communism For Kids

Communism is a type of government as well as an economic system (a way of creating and sharing wealth). In a Communist system, individual people do not own land, factories, or machinery. Instead, the government or the whole community owns these things. Everyone is supposed to share the wealth that they create.

communism - Kids | Britannica Kids | Homework Help

Communism for Kids. By Bini Adamczak. Translated by Jacob Blumenfeld and Sophie Lewis. Communism, capitalism, work, crisis, and the market, described in simple storybook terms and illustrated by drawings of adorable little revolutionaries.

Communism for Kids | The MIT Press

The first one, presumably intended for kids, lays out in cartoon metaphors the author's idea of what is capitalism, a few alternatives and what is not communist about them, and finally what the communism would be. This is followed by an epilogue, which explains for the adults what those metaphorical kiddie stories meant.

Its aim is to set up a version of society based on the common ownership of the means of production and would not rely on social classes, or money. The Communist Manifesto. According to communist writers and thinkers, the goal of communism is to create a stateless, classless society and to end capitalism. Communist thinkers believe this can happen if the people take away the power of the bourgeoisie (the ruling class, who own the means of production) and establish worker control of the means ...

Communism Facts for Kids | KidzSearch.com

Communism is a political and economic system in which the major productive resources in a society—such as mines, factories, and farms—are owned by the public or the state, and wealth is divided among citizens equally or according to individual need. In its most common usage, the term communism refers to the type of ideal society envisioned by the 19th-century German revolutionary Karl Marx or to forms of government based on Marx 's ideas that were established in Russia, China, and other ...

communism - Students | Britannica Kids | Homework Help

Communism is a type of government and philosophy. Its goal is to form a society where everything is shared equally. All people are treated equally and there is little private ownership. In a communist government, the government owns and controls most everything including property, means of production, education, transportation, and agriculture.

Communism for Kids is the work of Bini Adamczak. " a Berlin-based social theorist and artist

Communism for Kids | The American Conservative

While I don't think this book is really meant for kids, it was a thought provoking take on modern communism, or what communism might/could be. Using a metaphor of an iron factory, the author explains several versions of what communism has been described as. While it points out the built in flaws of capitalism, it also critiques what communism has been.
