### YourMechanic Advice

The two blade 18" fan, same scenario with no slippage, will gain you back another 5rwhp. So essentially what you end up with is a loss of 5 horsepower at the rear wheels, vs no fan at all on a 604 crate engine. As a side note, a 15" four blade fan will also only take away 5rwhp

# Acces PDF Engine Cooling

vs no fan. But we had  
issues with cooling  
while trying to run it.
