JINX is an example of everything middle grade fantasy can be, one of those books that will appeal to both parents and their children, as well as other people who just want a good book with curses and enchanted forests and plucky orphans. Jinx is raised by the wizard Simon after his stepparents attempt to abandon him in the forest.

Jinx (Jinx #1) by Sage Blackwood - Goodreads

Jinx is the first novel in a middle-grades children's fantasy trilogy by Sage Blackwood, published by Harper Collins in 2013. Set in a sentient primeval forest called The Urwald, the novel follows the adventures of a boy named Jinx who is abandoned in the forest and rescued by the wizard Simon Magus. Jinx grows up in Simon's house.

Jinx (Blackwood) Quiz - BookRags.com

As you can imagine, my five-star rating is for Blackwood, not for the publisher. *Jinx* is a middle grade fantasy about *Jinx*, a boy who grows up in a forest where there are monsters everywhere that want to eat him and everybody else. There are trolls and elves and werewolves and werechipmunks and witches and evil wizards.
