Second Edition

The second edition of Outcomes has been fully revised and updated to provide contemporary, global content and stunning National Geographic photos and videos. Its trademark lexically-rich approach shows students how vocabulary works, and the evenly-paced grammar syllabus provides examples and tasks based on what people actually say and write. With a huge variety of talking points and practice, Outcomes teaches students the English they need to communicate outside the classroom.

Prior editions have answered this question for tens of thousands of trainees and practitioners. The third edition continues to be one of the most important books in education and school psychology--it genuinely bridges the research-to-practice gap and provides interventions for real teachers, schools, and kids. I devoured this book in two sittings.
