BBC Two - Stargazing - Guides & Downloads

With the right "road map to the stars," (a.k.a. one of our free star charts) you'll be able to use your base knowledge to find interesting stellar pairings and locate "deep-sky objects" - the star clusters, galaxies, and nebulas that binoculars and telescopes will reveal. Once you've found the Big Dipper, it's easy to find two binary pairs. Similarly, once you know the Hercules ...

In astronomy, a guide star is a reference star used to accurately maintain the tracking by a telescope of a heavenly body, whose motion across the sky is primarily due to the rotation of the Earth.. Accurate telescope pointing and tracking is critical for obtaining good astronomical images and astrophotographs.However, because the Earth rotates, the sky appears to be in a constant state of ...

SSTAR - Channel 5

Michelin stars are a rating system used by the red Michelin Guide to grade restaurants on their quality. The guide was originally developed in 1900 to show French drivers where local amenities such as restaurants and mechanics were. The rating system was first introduced in 1926 as a single star, with the second and third stars introduced in 1933. According to the Guide, one star signifies "a ...

Brawl Stars is a third-person, top-down shooter game in which you play as your chosen Brawler and compete in a variety of Events. In these Events, you face off against other Brawlers as you attempt to complete a special objective unique to each type of Event. To move your Brawler, drag your finger on the left side of the screen to manipulate the virtual joystick, and your Brawler will move the ...
