The Happiness Project \u2022 Summary, Gretchen Rubin says that when it comes to happiness, according to research, genetics account for 50%, life circumstances 10-20%, and all the rest is up to how we think and act (also read The Power of Positive Thinking and As a Man Thinketh). Her personal happiness project consisted in focusing each month on a specific area of her life she wanted to improve ...

The Happiness Project: Summary in PDF | The Power Moves

PROJECT HAPPINESS GLOBAL. Empowering people with the resources to create greater happiness within themselves and the world. Why Project Happiness? The World Health Organization has named depression as the greatest cause of suffering worldwide. In the U.S., 1 out of 5 deals with depression or anxiety. For youth, that number increases to 1 in 3. The good news is that 40% of our happiness can be ...

The Happiness Project | Robert Holden, Ph.D.

The Happiness Project is Gretchen Rubin's log of her year pursuing happiness. She details her experiences in researching ways to improve her happiness and how she put them into practice. She dedicated one month to each topic. From there, she created a few resolutions to try for that month. She would also try to continue her resolutions from the previous months as she continually added more ...

The Happiness Trap 8-Week Online Program

The Happiness project aims to teach this important lesson so that you can start being happy now rather than thinking that true happiness is locked in that special moment of success or achievement. Action step: Instead of waiting to get something and thinking that fulfilling that goal will lead you to be happy, change your perspective to an understanding that happiness is a mindset and work to ...

The Happiness Project: A Detailed Beginner's Guide ...

3.5 stars I enjoyed the audio book of The Happiness Project. I always like when authors narrate their own books, and Gretchen Rubin did a nice job with the audio. I listened to the book fairly quickly, it only took me 2 days. On the parts that related to my life, I can give an awesome 4-5 star rating to. Unfortunately, a lot of the book had to do with parenting and other things (not just ones ...
