The Price of Privilege - The New
York Times

The Price of Privilege is one of the
better books I've read in quite
some time. I found it insightful,
approachable, and practical.

While the majority of the book is
about the psychological
challenges kids from affluent
homes are experiencing, I would
recommend this book to any
parent.

While it can be frightening to speak out, it's time for those prepared to check class privilege to stand up and be counted.

Kevin Price said that "there are times... when conscience must be weighed against the pull of the party." Wherever you stand on this issue, Cambridge students should take a leaf out of his book.
