The writer saw several of his deceased family members and a friend and all he did was wave at them, never called out to them. Oh my gosh, if I see my dead parents in heaven or my best friend I would be yelling their names, I would be yelling "hey, sooooo good to see you" and such. But no, he never said a word to them.

Read the full review on my bog, holes In My brain From it's title to the last sentence, WHAT I SAW AND HOW I LIED swept me off my feet and effortlessly took me back into the 1940 ' s with a tale rich in characters, mystery and atmosphere. This novel ' s style is classic and graceful; people speak and act exactly how I would picture them to in my head, from Evie ' s mother ' s posture to the characters ' dialogue.
