getAbstract Book Review: *Wired to Care*
Executives often know little about the people who buy their companies' products and services. This is not surprising. To study people, you must care about them. However, most companies eliminate empathy from their operations. In essence, they proceed as if they have calculating, survival-bent reptile brains.

WIRED

You've probably suspected that your cable company has been overcharging you, but they specialize in covering their tracks so it's hard to pinpoint exactly what they've been doing. In a U.S. Senate report this week Charter and Time Warner Cable admitted that they overcharged customers \$7.2 million in cable box fees alone last year. Of course, that's not the only way that customers are ...
