Soap operas targeting younger audiences

Despite this, alcohol content is widely shown on TV, and our previous research, looking at alcohol content on television, identified that soap operas, or 'soaps', contained a lot of alcohol content, and are shown before the 9pm watershed when children and young people are likely to be watching TV with their parents. We decided to investigate how much alcohol content is shown in soaps ...

Are 'Soap Operas' driving young people to drink? - IAS

This study examines two television soap operas and their consumption by a select group of teenagers. The soap operas in question, Neighbours and Home and Away, are produced in Australia and watched by large audiences in the UK. The study's broadest aim is to discover the nature of the relationship between the programmes and their teenage viewers.
